## FACADE ARCHITECTURAL LIGHTING TOOLS

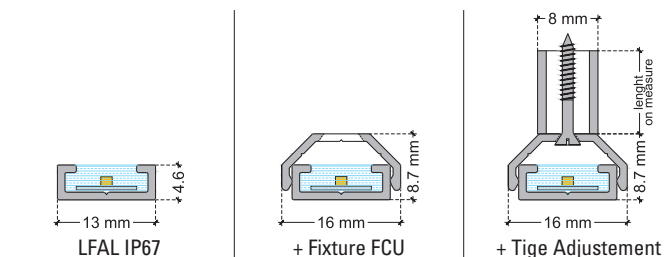

Encore un exemple d'outil d'éclairage fabriqués dans les ateliers Agabekov. Aujourd'hui ces produits ont été testé dans des conditions réelles et approuvées.

Another example of lighting tools manufactured in Agabekov's workshops. Today these products have been tested under actual conditions and approved.

Ein weiteres Beispiel für die Beleuchtungs-Tools aus den Agabekov-Werken. Diese Produkte wurden nun unter realen Bedingungen getestet und für gut befunden.
